To Whom It May Concern,

Please accept this letter as my highest recommendation for Conkling & Lewis Construction, Inc. I have had the opportunity and pleasure to work with Greg Lewis of Conkling & Lewis Construction, Inc. for over 15 years.

I have worked with Mr. Lewis as both the former Historic Preservation Officer of the City of Fort Pierce on the historic restoration of the Sunrise Theatre and Platts/Backus House, and now as the Executive Director of The Lyric Theatre for a variety of renovation, new construction and modernization projects for our historic theatre.

The Lyric Theatre has recently undergone a substantial and challenging renovation and the finished product is extraordinary. Our Board of Directors, members and patrons are enamored with the quality of construction and commitment to detail.

Conkling & Lewis Construction has always demonstrated a professional and ethical caliber. Not only have they been dependable and reliable as our contractor but their leadership and management skills are an added benefit to the operations of The Lyric Theatre. Their selection and utilization of quality sub-contractors is exemplary and have maintained our schedules and completing projects on time. Safety is a top priority and Conkling & Lewis have demonstrated extreme regard for our staff and patrons.

Mr. Lewis and his team are extremely reliable, exemplify professionalism and craftsmanship. They truly understand what it takes to maintain a successful relationship. If you would like additional information, please feel free to contact me.

Sincerely,

Kia Fontaine
